

Classroom Teacher – Position Immediately Available

New World Learning Academy is looking for an enthusiastic teacher to foster and facilitate the intellectual and social development of our students. Teaching at New World Learning Academy includes advanced planning and implementing and assessing lessons. You will teach children with patience and creativity. Teacher duties include designing a teaching plan and using activities and instructional methods to motivate children.

Our curriculum is advanced and individualized with Pre-K students currently on 2nd grade reading and 1st grade math levels and Preschool is currently on a Kindergarten/1st grade level. Curriculum is taught on an individual level with progress monitoring done weekly. NWLA is NOT a play school – we are academically accelerated and teach to each child's learning needs which generates learning up to a 3rd grade level.

RESPONSIBILITIES

- Design and follow a complete teaching plan with STEM curriculum
- Teach to each individual child through one on one and small groups
- Teach Spalding Phonograms and Saxon Mathematics
- Teach Geography, Character education, personal, social and emotional skills
- Organize learning material and resources
- Use a variety of activities and instructional methods (songs, stories, media, structured games, art, outdoor activities etc.) to motivate and stimulate children's abilities
- Maintain an open line of communication with parents and provide appropriate information
- Assess students' performance and progress to ensure they are mastering the skills on regular basis
- Work with children in small groups to individualize their learning
- Monitor children's interactions and nurture cooperation and sharing
- Cooperate with administration staff
- Follow and comply with teaching standards and safety regulations
- Attend training as required
- Monitor recess and specials when needed

REQUIREMENTS

- Teach to the child, not the class. Prepared for small groups and no ceilings on learning.
- Must be an excellent multi-tasker.
- Proven working experience as a kindergarten teacher, kindergarten assistant or teacher aide
- Excellent knowledge of child development and latest education theories and practices
- Creative and artistic teaching abilities
- Teaching and organization skills
- Patience and flexibility
- Strong communication skills
- Keep abreast with the latest trends and best practices
- BS degree in education or relevant license/certificate/experience
